Statement of Dispute

Dear Experian,

I write this dispute letter to your agency in order to dispute erroneously reported data that your agency has shown on my credit file. I would like the information indicated below to be verified and corrected. I expect your agency to take all necessary measures to meet all obligations under the Fair Credit Reporting Act. I, therefore, require that you verify the following:

I request that your bureau verify the incorrect and misleading information included in the reporting of the account identified as WE FLORIDA FINANCIAL (Date Opened: Mar. 21, 2017, Balance: \$1,472). The Balance of \$1,472 is not reported properly, because I recall the balance to be lower. I think it may be beneficial to address the misleading data directly with the creditor. I am determined to immediately proceed with such course of action, but I need your agency to report the account as a disputed while I'll be trying to find a solution. Similarly, I ask you to verify the Date Opened, Date of Status and First Reported for the account.

The information presented on the ACCOUNT RESOLUTION SERVI (Date Opened: Apr. 24, 2020, Balance: \$1,049) account is imprecise. I only know of the original creditor PARAGON CONTRACTING SVC; the reported collection agency is unknown to me. The Balance of \$1,049 reported by you is incorrect, because I think there should be a lower amount owed. Based on these inaccuracies, I am disputing the entire account and I request to have the following dates on the account verified: Date Opened, Date of First Delinquency, Date of Status and First Reported.

Taking into consideration that the furnishers are an unreliable source for data verification, I request that you conduct your own investigation into this matter. I also ask that you provide me an evidence of any changes made by sending me a copy of an updated report.

Please find enclosed copies of all supporting documentation as a proof of my identity and my current address.

Thank you.
