## Statement of Dispute

Dear TransUnion,

My Credit Report that I received from your agency does not report my credit data correctly. You are hereby notified of your obligation to verify and correct any imprecise information. Please verify the following:

I request that your bureau verify the incorrect and misleading information included in the reporting of the account identified as WE FLORIDA FINANCIAL (Date Opened: Mar. 21, 2017, Balance: \$1,472). The Balance of \$1,472 is not reported properly, because I recall the balance to be lower. I am going to examine this account with my creditor in order to reach an agreement with regard to the information that I do not agree with. For this reason, I request that your agency mark this account as disputed in my credit report.

The information presented on the ACCOUNT RESOLUTION SERVI (Date Opened: Apr. 24, 2020, Balance: \$1,049) account is imprecise. I only know of the original creditor PARAGON CONTRACTING SVC; the reported collection agency is unknown to me. The Balance of \$1,049 reported by you is incorrect, because I think there should be a lower amount owed. In consideration of these inaccuracies, I am disputing the entire account and I request to have the following dates verified: Date Opened and Date of First Delinquency.

As a consequence of the fact that furnishers do not always provide accurate records, I ask your agency to verify the information I have disputed above. I also expect to receive a copy of the results upon the end of the verification.

Please find copies of all necessary documentation attached to this letter, which will help you verify my identity and current address.
